### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of The Children's Aid Society of the United Counties of Stormont, Dundas and Glengarry

### **Opinion**

We have audited the financial statements of The Children's Aid Society of the United Counties of Stormont, Dundas and Glengarry (the "Entity"), which comprise:

- the statement of financial position as at March 31, 2022
- the statement of operations and changes in fund balances for the year then ended
- · the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at March 31, 2022, and its results of operations, its remeasurement gains and losses and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

#### We also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

### Page 3

- Obtain an understanding of internal control relevant to the audit in order to design
  audit procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year ended March 31, 2022

The Children's Aid Society of the United Counties of Stormont, Dundas and Glengarry (the "Society") is incorporated without share capital under the laws of Ontario and its operations are governed by the Child and Family Services Act (R.S.O. 2006). The Society is a registered charity under the Income Tax Act and as such, is exempt from income tax.

### 1. Significant accounting policies:

The financial statements have been prepared in accordance with Canadian public sector accounting standards including the 4200 standards for government not-for-profit organizations. A statement of remeasurement gains and losses has not been included as there are no matters to report therein.

### (a) Fund accounting:

The Society follows the restricted fund method of accounting for contributions.

The financial statements separately disclose the activities of the following funds maintained by the Society:

The Operating Fund reflects the activities associated with the Society's mandate under the Child and Family Services Act (R.S.O. 2006).

The General Fund reflects the activities relating to the Society's land, building and equipment financed by sources other than operating grant revenue. It also reflects the Society's revenue and expenses from volunteer activities. The Board of Directors approves the transfers of the excess of revenue over expenses of these funds.

The Ministry of Children, Community and Social Services Funds, designated in these financial statements under the heading Program Funds, reflect activities relating to the Society's ACL Group Living Supports program, C & FI Independence Preparation program and Partner Facility Renewal program financed by sources other than operating grant revenue. These funds are restricted for specific uses and must be reported individually.

### (b) Ministry of Children, Community and Social Services Funding:

The total funding to the Society is not finalized until the Ministry of Children, Community and Social Services (MCCSS) has reviewed the financial returns for the year. Any adjustments to the funding which may result from negotiations with the MCCSS are reflected in the accounts when negotiations have been concluded. The adjustments are reported on the statement of operations and changes in fund balances as prior year settlements.

### 1. Significant accounting policies (continued):

### (c) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Assets acquired under capital leases are amortized over the estimated life of the assets or over the lease term, as appropriate. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Society's ability to provide services, its carrying amount is written down to its residual value.

Amortization is provided using the following methods and annual rates:

|   | Basis   | Rate                     |
|---|---|--------------------------|
| Buildings and shed<br>Furniture, fixtures and equipment<br>Computer equipment | Declining balance Declining balance Declining balance | 4%<br>20% and 30%<br>30% |
| Computer software   | Straight-line   | 25%                      |

#### (d) Revenue recognition:

Grant revenue, which is 100% provincially funded, is recognized on the basis of the lower of:

- (i) actual expenses eligible for operating grant; and
- (ii) approval of fiscal allocation by the area office of the Ministry of Children, Community and Social Services, Province of Ontario.

The Society follows the deferral method of accounting for contributions, which include donations and government grants.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions, such as trust funds, are recognized as revenue in the year in which related expenses are incurred. Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on a declining basis, at a rate corresponding with the amortization rate for the related capital assets.

### (e) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

### 1. Significant accounting policies (continued):

### (f) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Society has not elected to subsequently carry any such financial instruments at fair value.

Financial instruments are adjusted by transaction cost incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Society determines of there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

#### (g) Employee future benefits:

The Society makes contributions to the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer, defined benefit pension plan. The Society has adopted defined contribution plan accounting principles for this Plan because insufficient information is available to apply defined benefit plan accounting principles.

### (h) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant items subject to such estimates and assumptions include the carrying amount of capital assets. Actual results could differ from those estimates.

#### 5. Line of credit:

The line of credit is secured by a general security agreement and specific charge on equipment, land and buildings. The interest rate on the operating line of credit is prime less 0.25%. The authorized limit of the line of credit is \$1,250,000 of which \$315,000 was drawn against at March 31, 2022 (2021 - \$NiI).

### 6. Deferred revenue:

This reserve consists of donations and other receipts received by the Society from individuals and other organizations for special activities. The receipts and disbursements in this account are summarized as follows:

|                                 | 2022          | 2021          |

### 7. Agency obligations:

(a) The Society acts as an agent, which holds resources and makes disbursements on behalf of various unrelated individuals or groups. The Society has no discretion over such agency transactions.

Resources received in connection with such agency transactions are reported as liabilities not revenue and subsequent distributions are reported as decreases to this liability.

At March 31, these obligations consisted of:

|  | 2022          | 2021          |
|--|---------------|---------------|
| Registered educational savings program (RESP): |               |               |

### 7. Agency obligations (continued):

(b) The Society holds resources and makes disbursements at its discretion for the registered disability savings program. The Society also establishes a separate ledger account to hold and pool all OCBE activity fund payments as per the ministry policy directive.

Resources received in connection with such agency transactions are reported as liabilities, not revenue, and subsequent distributions are reported as decreases to this liability.

As per ministry Policy Directive, CW 001-14, the OCBE activities fund is to provide all children and youth in care and in formal Customary Care, ages 0 to 17 with access to recreational, educational, cultural and social opportunities that support their achievement of higher educational outcomes, a higher degree of resiliency, social skills and relationship development, and a smoother transition to adulthood (Activities Program).

Each CAS shall establish a separate general ledger account to hold and pool all OCBE payments.

The Society sets aside amounts received on behalf of the youth for the Child Disability Benefit from Revenue Canada. These funds are then set up into a Registered Disability Savings Plan.

At March 31, these obligations consisted of:

|   |    | 2022             |    | 2021             |

### 7. Agency obligations (continued):

### (c) Agency funds held in trust:

The Society acts as a host agency, which receives funds in trust and makes disbursements on behalf of the following programs.

The Roger Giroux, gifted by the estate, is to assist youth who were adopted through CAS of SDG who are pursuing post-secondary education.

The Crown Ward Education Championship Teams (CWECT) in partnerships with children's aid societies, school boards, colleges, universities, and employment services, helps Crown wards complete high school and pursue postsecondary education, training and employment. CWECT's are expected to work towards the strategic goal of enabling better education, training and employment opportunities for all youth with Crown wardship status through funds provided by the Ministry of Colleges and Universities. The program recently changed its name to Ontario Education Championship Team (OECT).

Each of these programs represent provincial and federal activities that are not specific to this Society or its municipal boundaries. The Society has no recourse to the funds or obligation to settle any debts incurred by these programs. As a result, program revenue and expenses are not reported on the "Statement of Operations" of the Society. Net unspent (unfunded) funds at year end are reported as assets or liabilities on the "Statement of Financial Position".

### 9. Deferred contributions:

The balance of unamortized capital contributions, in the form of grants and donations, related to capital assets consists of the following:

|   | 2022                             | 2021                                   |

### 10. Economic dependence:

The Society is economically dependent on the Ministry of Children, Community and Social Services to provide sufficient funds to continue operations, replace essential equipment and complete its capital projects.

Notes to Financial Statements (continued)

Year ended March 31, 2022

### 11. Partner facility renewal fund:

Infrastructure funding supports directly operated facilities and transfer payment agencies for the acquisition, construction, renovation and renewal of capital assets to support the effective delivery of ministry programs.

Amounts received and invested in capital assets are recorded as deferred contributions and the expenditures are set up as capitals assets. These amounts are then written down based on the approved amortization rates.

As at March 31, 2022, the balance in this fund amounts to \$Nil (2021 - \$Nil).

### 12. Pension plan:

The Society makes contributions to the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer plan, on behalf of its employees. The plan is a defined benefit pension plan which specifies the amount of the retirement benefit to be received by the employees, based on the length of service and rates of pay. The OMERS Board of Trustees representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. OMERS provides pension services to approximately 1,000 employers and 450,000 plan members.

Each year an independent actuary determines the funding status of the OMERS pension plan (the Plan) by comparing the actuarial value of the invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2021. The results of this valuation reported an actuarial deficit of \$3.1 billion (2020 - \$3.2 billion actuarial deficit). Because OMERS is a multi- employer plan, any pension plan surpluses or deficits are a joint responsibility of employers and plan members participating in the Plan. The Society has adopted defined contribution plan accounting principles for this plan because insufficient information is available to apply defined benefit plan accounting principles. As a result, the Society does not recognize any share of the OMERS pension deficit.

The amount contributed to OMERS by the Society was \$1,092,623 (2021 - \$1,038,742), for current service and is included as an employee benefits expense in the operating fund, on the "Statement of Operations and Changes in Fund Balances".

### 13. Contingent liability:

The nature of the Society's activities is such that there may be litigation pending or in prospect at any time. With the respect to claims at March 31, 2022, management believes that the Society has valid defenses and appropriate insurance coverage in place. In the event any claims are unsuccessful, management believes that such claims are not expected to have a material effect on the Society's financial position.

Notes to Financial Statements (continued)

Year ended March 31, 2022

#### 14. Financial risk and concentration of risk:

### (a) Liquidity risk:

Liquidity risk is the risk that the Society will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Society manages its liquidity risk by monitoring its operating requirements. The Society prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no change to the risk exposure from 2021.

### (b) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Society is exposed to credit risk with respect to accounts receivable. The Society assesses, on a continuous basis, accounts receivable and provides for any amounts that are not considered collectible in an allowance for doubtful accounts. The Society's allowance for doubtful accounts as at March 31, 2022 is \$Nil (2021 - \$Nil). There has been no change to the risk exposure from 2021.

#### 15. Comparative information:

Certain comparative information has been reclassified to conform with the financial statement presentation adopted in the current year.
